

Code of Ethics and Operations

DOCTOR OF NATUROPATHY

1. I will consider and support the whole person.
2. I will practice with and teach my clients the healing power of nature.
3. I will provide full disclosure, to my clients and potential clients, regarding the scope of my practice, education and experience.
4. I will suggest nothing harmful to anyone who asks for my help or advice.
5. I will, at all times, be aware of and abide by all state and local regulations, relative to the practice of traditional naturopathy.
6. I will never exceed my scope of practice, by diagnosing illness or disease, prescribing any course of treatment, injecting anything into the body or performing surgery.
7. I will not discriminate against clients, or other professionals, based on race, religion, age, sex, physical ability, sexual orientation or economic conditions.
8. I promise to fulfill the required continuing education, in order to advance my knowledge and skills as a traditional naturopath.
9. I will keep all information about my clients in strictest confidence and will only divulge such information if required by law or when authorized by the client in question.
10. I will not engage in inappropriate relationships or behavior with clients.
12. I will strive consistently to achieve these objectives and ideals, dedicating myself to the noble profession of Traditional Naturopathy.
